AARC Approved Real-Time Live Broadcasts

The Kansas State Board of Healing Arts does not consider the pre-recorded with live credit CEUs to be live – they must be real-time live broadcasts. Starting 1/22/19 we're once again offering real-time live broadcasts every week through the end of March!

Visit us at www.respiratoryassociates.com/kansas to get
12 hours of real-time live broadcasts for only \$85.
Purchase courses individually for \$10 per credit hour.
